

DRONE HOUSE EXPO (DHE26)

Discover drone industry opportunities shaping the future of drone technology in Latvia, the Baltics, and across Europe!

The expo will bring together leading universities, schools, and training providers offering programmes in drone piloting, engineering, and robotics, alongside around 30 drone companies showcasing the latest innovations in the field.

Organised by **Drone House** and hosted at the **largest indoor drone training centre in the Baltics**, this event highlights the full ecosystem, from education to industry, and complements the Drone Summit 2026 by featuring additional companies from member states of the International Drone Coalition and Europe.

Industry Expo:

Drone House invites 30 or more drone tech companies to present their offers to decision-makers and the public within an allocated 5x5 metre stand at the Industry Expo.

The Industry Expo will take place on the 28th of May between 10:00 and 20:00. Participation is free of charge, but the space is limited. To apply, visit <https://ej.uz/DHE26Application>.

Education Expo:

The Edu Expo will feature 10 universities and other educational institutions from around the Baltics that offer education programmes related to drone technology.

The Edu Expo will take place on the 28th of May between 14:00 and 20:00. Participation is free of charge, but the space is limited.

Micro Drone Racing Competition:

Guests of the Drone House Expo (DHE26) will also be able to watch a Micro Drone – TinyWhoop Racing Competition.

The competition will take place on the 28th of May between 15:00 and 19:30. Viewing is free of charge. Participation is invite-only.

DRONE HOUSE INDUSTRY EXPO

Key information for participants:

Event time: 28th of May 10:00 – 20:00

Event location: Drone House, Patversmes iela 18, Rīga, Latvia
